Objective:

Experienced and results-driven information security executive with over 12 years of experience in the technology industry. Proven track record of developing and implementing robust security strategies, managing and mitigating risks, and fostering a culture of security and compliance. Seeking to leverage my technical, strategic, and leadership skills to excel in a new CISO role at StIT.

Skills:

1. Strong expertise in information security, risk management, and compliance.
2. Exceptional strategic thinking, planning, and decision-making abilities.
3. Excellent interpersonal, communication, and negotiation skills in French and English.
4. In-depth knowledge of the technology industry, trends, and market dynamics.
5. Experience in incident response, threat intelligence, and security awareness.
6. Ability to inspire, motivate, and develop teams and individuals.

Education:

Master of Science (MSc) in Information Security
École Nationale Supérieure des Télécommunications, Paris, France
Graduated: June 2009

Work Experience:

CISO
StIT, Paris, France
March 2018 - Present

1. Led the company's information security strategy, vision, and execution, ensuring the protection of assets and data.
2. Built and managed a high-performing information security team, fostering a culture of security, compliance, and learning.
3. Implemented and improved security policies, procedures, and controls, aligning with industry best practices and standards.
4. Managed and mitigated information security risks, conducting regular risk assessments and implementing risk management plans.
5. Collaborated with the CEO and executive team to develop and execute the company's strategic plan and vision.

Senior Information Security Manager
InnoTech International, Paris, France
June 2009 - February 2018

1. Led the information security strategy, vision, and execution for a multinational technology company, ensuring the protection of assets and data.
2. Built and managed high-performing information security teams across multiple regions and business units, fostering a culture of security, compliance, and learning.
3. Implemented and improved security policies, procedures, and controls, aligning with industry best practices and standards.
4. Managed and mitigated information security risks, conducting regular risk assessments and implementing risk management plans.
5. Collaborated with the executive team to develop and execute the company's strategic plan and vision.

Certifications:

Certified Information Systems Security Professional (CISSP)
(ISC)², Paris, France
March 2013

Certified Information Security Manager (CISM)
ISACA, Paris, France
March 2016

Achievements:

Information Security Excellence Award, 2019 & 2021 - TechSolutions
