Objective:

Dynamic and results-driven executive with over 12 years of experience in the technology industry. Proven track record of leading and optimizing operations, driving growth and profitability, and fostering a culture of innovation and excellence. Seeking to leverage my strategic, operational, and leadership skills to excel in a new COO role at StIT.

Skills:

1. Strong strategic thinking, planning, and decision-making abilities.
2. Exceptional operational and project management expertise.
3. Excellent interpersonal, communication, and negotiation skills in French and English.
4. In-depth knowledge of the technology industry, trends, and market dynamics.
5. Experience in process improvement, change management, and risk management.
6. Ability to inspire, motivate, and develop teams and individuals.

Education:

Master of Business Administration (MBA)
HEC Paris, Paris, France
Graduated: June 2010

Master of Science (MSc) in Engineering
École Centrale Paris, Paris, France
Graduated: June 2005

Work Experience:

COO
StIT, Paris, France
March 2017 - Present

1. Led the company's operations, including product development, marketing, sales, and customer support, driving efficiency, growth, and profitability.
2. Collaborated with the CEO and executive team to develop and execute the company's strategic plan and vision.
3. Implemented and improved processes, systems, and tools, driving operational excellence and scalability.
4. Oversaw the development and launch of technology products and solutions, ensuring high-quality, on-time, and on-budget delivery.
5. Managed the company's financial performance, including budgeting, forecasting, and cost optimization, driving financial sustainability and growth.

Director of Operations

InnoTech International, Paris, France
June 2010 - February 2017

1. Led the operations of a multinational technology company, driving efficiency, growth, and profitability across multiple regions and business units.
2. Collaborated with the executive team to develop and execute the company's strategic plan and vision.
3. Implemented and improved processes, systems, and tools, driving operational excellence and scalability.
4. Oversaw the development and launch of technology products and solutions, ensuring high-quality, on-time, and on-budget delivery.
5. Managed the company's financial performance, including budgeting, forecasting, and cost optimization, driving financial sustainability and growth.

Certifications:

Certified in Production and Inventory Management (CPIM)
APICS, Paris, France
March 2015

Achievements:

Operational Excellence Award, 2018 & 2021 - TechSolutions
